

FOLLOW ON MILK

200 ml Ready to Feed

Description

HiPP Organic Follow on milk 2 is an ideal complement to a balanced weaning diet from 6 months onwards, if moving from breastfeeding or infant milk feeding. It should not be used as a breastmilk substitute before this age.

Contra-indications

- ♥ Not suitable for intravenous use
- ♥ Not suitable for cows' milk protein or fish allergy
- ♥ Not suitable for lactose intolerance
- ♥ Not suitable for vegetarians

Pack format and product code

HiPP Organic Follow on milk 2 is available in 200ml ready to feed bottles and in a powdered format (see separate data card for the powdered product).

Product code: Follow on milk 2 - 200 ml ready to feed – **GB2223**

Preparation

All HiPP Organic products carry preparation instructions on the packaging.

Before feeding the HiPP Organic follow on milk 2, check best before date and shake plastic bottle well. Remove plastic lid and gently squeeze bottle to check if foil seal is intact. Pour required amount of milk into a bottle or beaker. Feed at room temperature or warm if desired (check temperature before feeding). For hygiene reasons, discard unfinished feed in bottle or beaker as soon as possible and always within 2 hours.

Unused feed remaining in the packaging should be refrigerated immediately and used within 48 hours.

Storage

Store in a cool, dry place and at room temperature out of direct sunlight.

Ingredients

Whey product*, skimmed **milk***, water, **cream***, **lactose***, vegetable oils* (sunflower oil*, rapeseed oil*), galacto-oligosaccharides* from lactose*, emulsifier lecithins*, **fish** oil, calcium salts of citric acid, potassium chloride, calcium salts of orthophosphoric acid, vitamin C, sodium citrate, magnesium sulphate, L-phenylalanine, potassium salts of orthophosphoric acid, L-tryptophan, potassium citrate, ferrous sulphate, zinc sulphate, potassium hydroxide, niacin, pantothenic acid, vitamin E, cupric sulphate, vitamin A, vitamin B1, vitamin B6, potassium iodate, folic acid, sodium selenate, vitamin K, vitamin D, D-biotin, vitamin B12.

*From organic production
