

GROWING UP MILK

200 ml Ready to Feed

Description

HiPP Organic Growing up milk 3 is intended for use from the 12th month onwards as part of a mixed diet, if moving on from breastfeeding or another formula milk.

Contra-indications

- ♥ Not suitable for intravenous use
- ♥ Not suitable for lactose intolerance
- ♥ Not suitable for cows' milk protein or fish allergy
- ♥ Not suitable for vegetarians

Pack format and product code

HiPP Organic Growing up milk 3 is available in 200ml ready to feed bottles and in a powdered format (see separate data card for the powdered product).

Product code: Organic Growing up milk 3 - 200 ml ready to feed – **GB2222-01**

Preparation

All HiPP Organic products carry preparation instructions on the packaging.

Before feeding the HiPP Organic growing up milk 3, check best before date and shake plastic bottle well. Remove plastic lid and gently squeeze bottle to check if foil seal is intact. Pour required amount of milk into a beaker or feeding cup. A cup or beaker should be introduced as soon as possible to prevent prolonged/frequent contact of teeth with milk feeds which may increase the risk of tooth decay. Feed at room temperature or warm if desired (check temperature before feeding). For hygiene reasons, discard unfinished milk as soon as possible and always within 2 hours.

Unused feed remaining in the packaging should be refrigerated immediately and used within 48 hours.

Storage

Store in a cool, dry place and at room temperature out of direct sunlight.

Ingredients

Whey product*, skimmed **milk***, water, **cream***, **lactose***, vegetable oils* (sunflower oil*, rapeseed oil*), **fish** oil, emulsifier lecithins*, calcium salts of citric acid, calcium salts of orthophosphoric acid, potassium chloride, sodium citrate, vitamin C (L-ascorbyl 6-palmitate, sodium-L-ascorbate), magnesium sulphate, potassium hydroxide, sodium selenite, zinc sulphate, potassium citrate, L-tryptophan, ferrous sulphate, potassium salts of orthophosphoric acid, vitamin E, niacin, pantothenic acid, cupric sulphate, vitamin A, vitamin B1, vitamin B6, potassium iodate, folic acid, D-biotin, vitamin D, vitamin K, vitamin B12.
