

Formula Milks—Ingredients

August 2018

Please note: This product sheet contains information correct at time of publication. However, recipes may change so always check product packaging for the latest information.

Product	Ingredients
Infant milks - suitable from birth onwards	
First Infant Milk 1: 800g powder	Organic skimmed milk , organic whey powder (partially demineralised), organic vegetable oils (palm oil, rapeseed oil, sunflower oil), organic lactose , organic galacto-oligosaccharides (from lactose), whey protein, potassium chloride, LCP oils (fish , vegetable oil from <i>Mortierella alpina</i>), sodium citrate, L-tyrosine, zinc sulphate, calcium carbonate, magnesium carbonate, calcium salts of orthophosphoric acid, vitamin C, L-tryptophan, ferrous sulphate, vitamin A, inositol, pantothenic acid, niacin, cupric sulphate, thiamin (vitamin B1), vitamin B6, potassium iodate, vitamin E, manganese sulphate, folic acid, vitamin K, sodium selenite, vitamin D, riboflavin (vitamin B2), biotin, vitamin B12.
First infant milk 1: 200ml ready-to- feed	Organic whey (partially demineralised), organic skimmed milk , water, organic vegetable oils (palm oil, rapeseed oil, sunflower oil), organic lactose , organic galacto-oligosaccharides (from lactose), whey protein, emulsifier lecithin (soya), potassium citrate, calcium salts of citric acid, LCP oils (vegetable oils from <i>Mortierella alpina</i> and <i>Cryptocodinium cohnii</i>), vitamin C, sodium citrate, calcium chloride, L-phenylalanine, potassium chloride, calcium salts of orthophosphoric acid, sodium chloride, calcium hydroxide, magnesium hydroxide, L-tryptophan, zinc sulphate, potassium hydroxide, iron sulphate, vitamin E, niacin, pantothenic acid, copper sulphate, vitamin A, thiamin (B1), vitamin B6, potassium iodate, folic acid, vitamin K, manganese sulphate, sodium selenite, vitamin D, biotin, vitamin B12.
First infant milk 1: 90ml ready-to-feed	Organic whey (partially demineralised), organic skimmed milk , water, organic vegetable oils (palm oil, rapeseed oil, sunflower oil), organic lactose , organic galacto- oligosaccharides from organic lactose , whey protein, emulsifier soya lecithin, potassium citrate, calcium salts of citric acid, LCP-containing vegetable oil (from <i>Mortierella alpina</i> and <i>Cryptocodinium cohnii</i>), vitamin C, sodium citrate, calcium chloride, L-phenylalanine, potassium chloride, calcium salts of orthophosphoric acid, sodium chloride, calcium hydroxide, magnesium hydroxide, L-tryptophan, zinc sulphate, potassium hydroxide, ferrous sulphate, vitamin E, niacin, pantothenic acid, copper sulphate, vitamin A, thiamin (vitamin B1), vitamin B6, potassium iodate, folic acid, vitamin K, manganese sulphate, sodium selenite, vitamin D, biotin, vitamin B12.
Hungry infant milk: 800g powder	Organic skimmed milk , organic lactose , organic vegetable oils (palm oil, rapeseed oil, sunflower oil), organic galacto-oligosaccharides (from organic lactose), calcium carbonate, potassium citrate, LCP oils (fish oil, vegetable oil from <i>Mortierella alpina</i>), L-cystine, vitamin mix [vitamin C, pantothenic acid, niacin, vitamin E, vitamin A, thiamin (vitamin B1), vitamin B6, vitamin K, riboflavin (vitamin B2), folic acid, biotin, vitamin D, vitamin B12], calcium salts of orthophosphoric acid, L-tryptophan, inositol, ferrous sulphate, stabiliser (lactic acid), sodium chloride, magnesium sulphate, zinc oxide, copper lysine complex, manganese sulphate, potassium iodate, sodium selenate.
Hungry infant milk: 200ml ready- to-feed	Organic skimmed milk , water, organic lactose , organic vegetable oils (rapeseed oil, coconut oil, palm oil, sunflower oil), fibres (galacto-oligosaccharides from lactose), emulsifier (soya lecithin), LCP oils (containing vegetable oils from <i>Mortierella alpina</i> and <i>Cryptocodinium cohnii</i>), vitamin mix [vitamin C, vitamin A, thiamin (vitamin B1), riboflavin (vitamin B2), vitamin B6, pantothenic acid, folic acid, niacin, vitamin B12, vitamin D, vitamin E, biotin, vitamin K], sodium citrate, L-cysteine, potassium hydroxide, potassium hydrogen carbonate, sodium chloride, zinc sulphate, ferrous sulphate, magnesium carbonate, potassium iodide, sodium selenite, copper sulphate, manganese sulphate.
Follow On Milks - Suitable from six months onwards	
Follow on milk 2: 800g powder	Organic skimmed milk , organic vegetable oils (palm oil, rapeseed oil, sunflower oil), organic lactose , organic whey (partially demineralised), organic galacto-oligosaccharides (from organic lactose), calcium carbonate, emulsifier (soya lecithin), vitamin mix [vitamin C, niacin, vitamin E, pantothenic acid, vitamin A, thiamin (vitamin B1), vitamin B6, riboflavin (vitamin B2), folic acid, vitamin K, vitamin D, biotin, vitamin B12], ferrous sulphate, potassium chloride, sodium chloride, L-tryptophan, zinc sulphate, magnesium carbonate, copper sulphate, potassium iodide, manganese sulphate, sodium selenite.

<p>Follow on milk 2: 250ml ready-to-feed</p>	<p>Organic semi skimmed milk, organic partially demineralised whey, water, organic lactose, organic vegetable oils (rapeseed oil, sunflower oil), emulsifier lecithin (from rapeseed), organic galacto-oligosaccharides (from organic lactose), vitamin mix [vitamin C, vitamin E, niacin, pantothenic acid, vitamin A, thiamin (vitamin B1), vitamin B6, folic acid, vitamin K, vitamin D, biotin, vitamin B12], potassium hydroxide, sodium citrate, ferrous sulphate, magnesium sulphate, zinc sulphate, potassium iodide, sodium selenite, copper sulphate, manganese sulphate.</p>
<p>Good night milk: 350g powder</p>	<p>Organic skimmed milk, organic vegetable oils (palm oil, rapeseed oil, sunflower oil), organic corn starch, organic lactose, organic whey partially demineralised, organic rice-buckwheat flakes, mineral mix (calcium carbonate, potassium chloride, ferrous sulphate, zinc oxide, copper sulphate, manganese sulphate, zinc sulphate, potassium iodate, sodium selenate), vitamin mix (vitamin C, vitamin E, niacin, pantothenic acid, thiamin (vitamin B1), vitamin A, vitamin B6, riboflavin (vitamin B2), folic acid, vitamin K, biotin, vitamin D, vitamin B12], L-tryptophan.</p>
<p>Growing Up Milks—From the twelfth month onwards</p>	
<p>Growing up milk 3: From the 12th month to 2 years: 600g powder</p>	<p>Organic skimmed milk, organic lactose, organic vegetable oils (palm oil, rapeseed oil, sunflower oil), organic galacto-oligosaccharides (from organic lactose), calcium carbonate, emulsifier (soya lecithin), potassium citrate, calcium salts of orthophosphoric acid, ferrous sulphate, sodium citrate, vitamin mix [vitamin C, niacin, vitamin E, pantothenic acid, vitamin A, riboflavin (vitamin B2), thiamin (vitamin B1), vitamin B6, folic acid, vitamin K, vitamin D, biotin, vitamin B12], magnesium carbonate, potassium chloride, L-tryptophan, zinc sulphate, copper sulphate, potassium iodide, manganese sulphate, sodium selenite.</p>
<p>Growing up milk 3: From the 12th month to 2 years: 250ml ready-to-feed</p>	<p>Organic semi skimmed milk, organic partially demineralised whey, water, organic lactose, organic vegetable oils (rapeseed oil, sunflower oil), emulsifier lecithin (from rapeseed), organic galacto-oligosaccharides (from organic lactose), vitamin mix [vitamin C, vitamin E, niacin, pantothenic acid, vitamin A, thiamin (vitamin B1), vitamin B6, folic acid, vitamin K, vitamin D, biotin, vitamin B12], potassium hydroxide, sodium citrate, ferrous sulphate, magnesium sulphate, zinc sulphate, potassium iodide, sodium selenite, copper sulphate, manganese sulphate.</p>
<p>Growing up milk 4: From 2-3 years: 600g powder</p>	<p>Skimmed milk, vegetable oils (palm oil, rapeseed oil, sunflower oil), lactose, fibre (galacto-oligosaccharides from lactose), minerals (potassium citrate, calcium citrate, calcium orthophosphate, magnesium sulphate, ferrous sulphate, potassium iodate), vitamins (vitamin C, vitamin E, vitamin B2, vitamin A, vitamin D, biotin, vitamin B12), stabiliser lactic acid.</p>
<p>Specialist milks- from birth onwards</p>	
<p>Comfort milk: 800g powder</p>	<p>Vegetable oils with beta-palmitate (palm oil, rapeseed oil, sunflower oil), maltodextrin, lactose, whey protein hydrolysate, starch, galacto-oligosaccharides from lactose, calcium orthophosphates, emulsifier: citric acid esters of mono and diglycerides of fatty acids, potassium chloride, LCP oils (fish, vegetable oil from Mortierella alpina), potassium hydroxide, magnesium chloride, choline, sodium hydroxide, L-tyrosine, L-phenylalanine, vitamin C, taurine, inositol, L-tryptophan, calcium carbonate, vitamin E, ferrous sulphate, L-carnitine, niacin, zinc oxide, pantothenic acid, copper sulphate, riboflavin (vitamin B2), vitamin A, thiamin (vitamin B1), vitamin B6, vitamin K, manganese sulphate, potassium iodate, folic acid, biotin, vitamin D, sodium selenate, vitamin B12.</p>
<p>Anti-reflux milk: 800g powder</p>	<p>Organic skimmed milk, organic whey product, organic vegetable oils (palm oil, rapeseed oil, sunflower oil), organic maltodextrin, thickener: carob bean gum, organic lactose, minerals (calcium carbonate, calcium chloride, calcium orthophosphates, potassium chloride, zinc sulphate, iron sulphate, magnesium carbonate, sodium chloride, copper lysine complex, potassium iodate, sodium selenite, manganese sulphate), LCP oils (fish oil, vegetable oil from Mortierella alpina), vitamins (vitamin C, niacin, vitamin E, pantothenic acid, vitamin B1, vitamin A, vitamin K, vitamin B6, vitamin B2, folic acid, vitamin D, biotin, vitamin B12), L-tyrosine, L-phenylalanine, stabiliser lactic acid, L- tryptophan.</p>
